16. All Direct Expenses incurred under this Agreement, unless otherwise stated, are not included in the COMPENSATION and shall be subject to a n/a percent multiplier.
17. The laws of the State of Florida govern the validity of this Agreement, the construction of its terms, and the interpretation of the rights and duties of the parties. Venue of any litigation based on this Agreement, or arising out of, under or in connection with this Agreement, or any course of conduct, course of dealing, statements or actions of any party with respect thereto shall be in Volusia County, Florida.
18. WAIVER OF JURY TRIAL: THE CLIENT hereby knowingly, voluntarily, and intentionally waives any right they may have to a trial by jury in respect to litigation based on this Agreement or arising out of, under or in connection with this Agreement or any course of conduct, course of dealing, statements (whether verbal or written) or actions of any party with respect hereto or thereto. This provision is a material inducement for LTG accepting and/or entering into this Agreement.
19. No covenant or term of this Agreement in favor of LTG shall be waived except by the express written consent of LTG, whose forbearance or indulgence in any regard whatsoever shall not constitute a waiver of the covenant, term or condition to be performed by the CLIENT. Nor shall the waiver of a specific breach of any condition of covenant hereunder, constitute a defense or excuse for a future breach of the same or any other condition of covenant. LTG's failure to exercise any right or option granted hereunder should not be deemed or construed as a waiver by LTG of such right or option. Until complete performance by CLIENT of said covenant, term or condition, LTG shall be entitled to invoke any remedy available under this Agreement or by law despite such forbearance or indulgence.
20. LTG does not guarantee the approval of LTG's work by public agencies nor does LTG guarantee the approval of the CLIENT's development or improvements. LTG does warranty its work effort and agrees to correct deficiencies noted in its work caused by LTG in a timely manner and in accordance with the SCOPE OF WORK at no additional cost to the CLIENT.
21. Any work performed pursuant to this Agreement shall entitle LTG to all lien rights under Florida Statutes.
22. LTG or CLIENT may terminate services, in writing, under this Agreement at any time. Payment for work performed per this Agreement up to the termination time shall be due without regard to the termination.

AGENDA ITEM

Public Hearing and Second Reading of Ordinance No. 2026-02: Intersection Line of Sight (Action Item)

Cost: N/A

Ordinance 2026-02 Business Impact Estimate 13Jan26

Staff Recommendation:

Consider holding a public hearing and adopting Ordinance No. 2026-02 on second reading, updating landscaping standards at intersections.

Background Information:

At the March 4, 2025, FY26 Budget kickoff workshop, City Council members expressed frustration with the current level of code enforcement and directed staff to include an additional code enforcement officer in the FY26 Proposed Budget (ultimately, the new position was not included in the FY26 Approved Budget due to lower-than-anticipated property tax receipts) and increased enforcement efforts (previously mainly reactive and not proactive).

As part of staff's review of existing codes, the landscaping at intersections was identified as being excessive and unwarranted. The current code requires a triangle of cross-visibility of 40 feet to be clear of vegetation above 2.5 feet in height and did not specify where the triangle began (i.e., along the edge of the road or the edge of the right-of-way). At the October 14, 2025, City Council meeting, staff proposed reducing the distance to the triangle of cross-visibility to 25 feet and establishing the beginning of the triangle at the edge of the road.

The Planning and Zoning Board reviewed Ordinance No. 2026-02 on January 07, 2026, and voted to recommend that the City Council adopt Ordinance No. 2026-02 with the following conditions:

- Adding a reference to the diagram that the measure point is the edge of the pavement
- Modifying the diagram to show a curved corner with a dotted line showing where the 25-foot measurement point starts
- Add the triangle of cross-visibility requirement to the City's site plan review process

In accordance with F.S. 166.041(3)(a), a business impact estimate is attached.

On January 13, 2026, the City Council approved Ordinance No. 2026-02 with the proffered recommendations on first reading.

An updated diagram is now included in the attached Ordinance No. 2026-02.

Staff recommends the City Council adopt Ordinance No. 2026-02 on second reading with the recommended changes from the Planning and Zoning Board.

ORDINANCE NO. 2026-02

AN ORDINANCE OF THE CITY OF INDIAN HARBOUR BEACH, BREVARD COUNTY, FLORIDA; AMENDING CHAPTER 107, LANDSCAPE CODE OF THE LAND DEVELOPMENT REGULATIONS OF THE CITY; AMENDING SECTION 107-8, LANDSCAPING AT INTERSECTIONS; PROVIDING FOR CONFLICTS, SEVERABILITY, INCORPORATION INTO THE CITY'S LAND DEVELOPMENT REGULATIONS; PROVIDING FOR CONFLICTS, SEVERABILITY, INCORPORATION AND AN EFFECTIVE DATE.

Sec. 107-8. - Landscaping at intersections and points of access to public rights-of-way.

(1) No landscaping, tree, fence or wall shall obstruct visibility at any intersection or at any point of access to a public right-of-way. Notwithstanding any other section of this chapter, the city shall have the authority to order the removal of any such landscaping, tree, fence or wall which is found to cause such obstruction of visibility.

(2) No hedge, plant, tree or other landscaping shall exceed two and one-half (2½) feet in height or have a canopy lower than six (6) feet in the area defined as the "triangle of cross-visibility" in Figure 1 below.

Figure 1.

(Note to codifier, the new Figure 1 shown above should be inserted below Section 107-8 when codified. Figure 1 was amended from the current version).

Section 2: Conflicts. Any and all ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflicts.

Section 3: Severability. If any provisions of this Ordinance or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this and the provision of this Ordinance are declared severable.

Section 4. The City Clerk is hereby directed to incorporate the provisions of this ordinance into the City's Land Development Regulations.

Section 5. Effective Date. This ordinance shall take effect immediately upon its adoption.

AGENDA ITEM

Public Hearing and Second Reading of Ordinance No. 2026-03: Golf Carts (Action Item)

Cost: N/A

Attachments: Ordinance 2026-03 13Jan26
Ordinance 2026-03 Business Impact Estimate 13Jan26

Staff Recommendation:

Consider holding a public hearing and adopting Ordinance No. 2026-03 on second reading, establishing permitted streets on which golf carts may be operated and regulations for said use as allowable under Florida Statutes.

Background Information:

The City Council previously discussed low-speed vehicles in Indian Harbour Beach on October 10, 2017; March 27, 2018; July 28, 2020 (requesting that FDOT prohibit low-speed vehicles on SR A1A); December 8, 2020; January 12, 2021; and January 26, 2021. At a July 29, 2025, workshop, the City Council solicited resident comments and reached a consensus to have City Attorney Bohne submit a request for an opinion from the Florida Attorney General's Office on whether the City could enact a low-speed vehicle ordinance as envisioned.

On October 29, 2025, City Attorney Bohne received a request for additional information from the Attorney General's Office, resulting in his opinion that the City should cease the pursuit of a low-speed vehicle ordinance.

On November 18, 2025, the City Council held a special meeting during which a motion was approved to proceed with a traffic study for golf carts while drafting an ordinance. Said traffic study was completed in December 2025. Key aspects of the attached Ordinance No. 2026-03 include:

- Defined permitted streets upon which golf carts may operate

- Requirement that golf carts must be equipped with efficient brakes, a reliable steering apparatus, safe tires, a rear view mirror, and red reflectorized warning devices in both the front and rear
- Requirement that golf carts must be equipped with headlights, brake lights, turn signals, and a windshield if operated between sunset and sunrise
- Requirement that operators must possess a valid learner's permit or driver's license if under 18 years of age or a valid form of government-issued photographic identification if over 18 years of age
- The maximum speed limit of 20 MPH, regardless of the posted speed
- Not allowed in City parks except for designated parking areas
- Additional equipment requirements for unlicensed operators
- Specific enforcement methods for violations
- Voluntary golf cart inspection program

Although the City Council previously espoused a desire for a reciprocal agreement with the City of Satellite Beach, staff does not believe such a clause is required, as anyone meeting the state standards for golf cart usage, regardless of the location of domicile, will be able to operate a golf cart in the City of Indian Harbour Beach if this ordinance is adopted.

Lastly, although the traffic study recommends not including Banana River Drive/Pine Tree Drive as shared operations for golf carts and vehicles, Chief Butler and I believe that said corridor should be included, as the Indian Harbour Beach Police Department regularly performs traffic enforcement on the corridor, and the area does not have a history of significant traffic accidents. According to City Attorney Bohne, the City is not obligated to follow the recommendations of the traffic study.

In accordance with F.S. 166.041(3)(a), a business impact estimate is attached.

On January 13, 2026, the City Council approved Ordinance No. 2026-03 on first reading.

Staff recommends the City Council adopt Ordinance No. 2026-03 on second reading.

SECTION 1. A new Article VII of Chapter 19 “Golf Cart Operations on Municipal Streets”, of the Code of Ordinances of the City of Indian Harbour Beach is hereby adopted to read as follows:

‘Chapter 19

ARTICLE VII. Golf Cart Operations on Municipal Streets

Sec. 19-150. – Authority, Scope and Purpose

The purpose of this ordinance is to provide for the allowance, regulations, and operation, as a shared use, of golf carts on municipal streets within the city consistent with Florida Statutes, Section 316.212.

Tree Preservation Board Arbor Day budget request (Action Item)

Cost: \$1,242.00 (FY26 Budget of \$900.00)

Attachments: 2026 Arbor Day Itemized Costs

Staff Recommendation:

Consider receiving a presentation from Tree Preservation Board Chairman Adam Lucey on their funding request for the 4th annual Arbor Day celebration and approving said request.

Background Information:

Established in 2024, one of the Tree Preservation Board's duties and responsibilities is to "plan and host Indian Harbour Beach's annual Arbor Day Ceremony. This year's event is scheduled for Saturday, March 28th, from 10:00 am to 1:00 pm in Gleason Park.

On January 22, 2025, the Tree Preservation Board reached a consensus to request approximately \$1,242.00 to fund the following event components:

- Ceremonial tree planting (cost of one tree)
- Native tree give-away to IHB residents (cost of about 40-50 trees)
- Table skirt
- Custom magnets/stickers

Council Member Yorio requested that this item be placed on the City Council agenda for transparency purposes (even though the cost is within the City Manager's spending authority).

Of note, City staff will be directly purchasing the above-mentioned items (if approved by the City Council). The FY26 General Government Departmental Budget contains \$900 for the event, and there is sufficient funding available in the City Manager's Contingency to cover the budgetary overage.

Tree Preservation Board Chairman Adam Lucey will be present to answer any questions the City Council may have regarding the event.

Staff recommends the City Council approve the funding request as presented.

AGENDA ITEM

Discussion of holding quarterly town hall meetings (Recommendation by Council Member Nutt)

Cost: N/A

Attachments: Council Meeting Procedures

Staff Recommendation:

Consider implementing quarterly town hall-style Council meetings as requested by Council Member Nutt.

Background Information:

As adopted via Resolution No. 741 on December 13, 2022, the City's Council Meeting Procedures dictate, unless otherwise changed by a majority vote of the City Council at specific meetings, that residents may address the City Council about any topic at the end of each meeting under the "Public Forum" section. Customarily, the City Council does not engage in a back-and-forth dialogue with residents under this section but refers questions or concerns to staff to investigate and report back at a future meeting.

Council Member Nutt proposes that the City Council schedule quarterly town hall-style meetings limited to a public forum agenda item, during which the Mayor and Council Members would engage in dialogue with residents on topics raised by residents, the Mayor, or Council Members. Council Member Nutt believes such scheduled town hall meetings would provide a more suitable avenue for residents to ask questions, rather than having to sit through regular Council meetings to speak under the Public Forum section.

While other municipalities hold quarterly or ad hoc topical town hall meetings, there is no obligation for the City Council to hold town hall-style meetings.

If the City Council desires to implement Council Member Nutt's proposal, staff will have proposed dates and times included in the February 24th agenda packet for

consideration.

Hence, staff requests direction from the City Council regarding this matter.

City of Indian Harbour Beach City Council Meeting Procedures

SECTION 1 SCOPE

1.1 SCOPE

The City Council has the right to establish policies regarding the proper and efficient control of meetings before the City Council. Reasonable rules and policies designed to ensure orderly conduct of a public meeting and which require orderly behavior on the part of all those attending, are appropriate. These rules shall establish the procedures for the conduct of all meetings of the City Council of the City of Indian Harbour beach. The purpose of these rules is to establish procedures which will be convenient for the public, be fair to all members of the City Council and contribute to orderly conduct of City business. For any items not addressed in these rules, the ruling of the Presiding officer shall govern unless overruled by a majority of the Council.

SECTION 2 PRESIDING OFFICER

2.1 DEFINITION

A. The presiding officer at the Council meeting shall be the mayor (See Section 4, Article IV of City Charter) or in his/her absence, the deputy mayor, and in his/her absence, the Council Member in attendance at the meeting with the longest continuous tenure on Council.

1. In the event of equal tenure with the senior Council Members, the individual having received the highest number of votes in the most recent municipal election is the senior member.

B. If the meeting is being presided over by a Council Member other than the highest ranking member of the Council, upon the arrival of a higher ranking member, the officer shall immediately relinquish the role as presiding officer upon the conclusion of the business at hand.

2.2 DESIGNATED DUTIES

The presiding officer shall be well-versed in these rules and shall also preserve order and decorum at all Council meetings. He/she shall maintain control of the meeting and keep it focused. The presiding officer may generally restate every motion and place it before the Council, announce the result, announce the decisions of the Council on all subjects, and decide all questions of order.

2.3 CALL TO ORDER

The presiding officer shall start the meeting precisely at the hour appointed for the meeting and shall call the Council to order.

2.4 RECESSES DURING MEETINGS

SECTION 3 ROLL CALL

3.1 ROLL CALL

As the first order of business, the meeting shall be called to order, there shall be a recitation of the pledge and moment of silent meditation and the clerk on duty shall then take the attendance roll of the Council Members and appropriate City staff.

3.2 QUORUM

A. A majority of all members serving on the City Council shall constitute a quorum at any meeting of the Council.

B. In the absence of a quorum, two or more members may adjourn any regular, special, or workshop meeting to a later date.

The arrival of the Council Member will be indicated in the appropriate section of the minutes. If a vote is taken prior to the Council Member's arrival, the member's name will not appear in the vote in the minutes.

3.4 ABSENTEEISM

A. Absence from three (3) consecutive regular meetings of the Council, without being excused by the Council, shall vacate the seat of the member. The City clerk shall notify the Council of the third consecutive absence of any Council Member. *Article 4, Section 7 of City Charter.*

B. When a Council member leaves a meeting and does not return, the member needs only to inform the presiding officer that he/she will not return to the meeting. The presiding officer will inform the Council and public of same.

3.5 ATTENDANCE BY COMMUNICATIONS TECHNOLOGY MEDIA

Council Members, due to a physical disability, illness or who may be out of city, state, or the country, and unable to attend a scheduled Council meeting, may participate and vote in a Council meeting by the use of communications media technology, that is currently utilized by the City, provided a quorum is physically present at the meeting. The absent member may not be counted for purposes of constituting a quorum. Before such Council Member may participate a majority of the Council Members present must approve such appearance via communications media technology.

Council Members shall confine their remarks to the issues before the Council. Council Members will demonstrate dignity, respect, and courtesy towards all persons and businesses/entities. They will refrain from intimidation and ridicule of fellow members of the Council, City Manager, City attorney, staff, citizens of the City, members of the public (whether present or not before the Council), vendors of the City and those who do business with the City. However, an exception shall apply if an agenda item before the Council specifically involves conduct involving any of the persons or business entities identified herein. By way of example is if there is an agenda item regarding the performance of charter employees, contractor or vendor.

While the presiding officer shall have the authority to preserve decorum in meetings as far as staff members and City employees are concerned, the City Manager also shall be responsible for the orderly conduct and decorum of all City employees under his/her direction and control. The City Manager may take such disciplinary action as may be necessary to ensure that such decorum is preserved at all times by City employees at Council meetings.

1. Any staff member requesting to address the Council shall be recognized through the presiding officer.

2. All remarks and questions shall be addressed to the Council as a whole and not to any individual member thereof.

3. No staff member, other than the staff member having the floor, shall enter into any discussion either directly or indirectly without permission of the presiding officer.

4. The City Manager and City Attorney may at all times freely participate in all matters before the City Council.

4.7 INTERRUPTION OF MEETING

Persons demonstrating disruptive behavior at meetings or violating established rules of order will be called to order by the presiding officer. If such conduct continues, the presiding officer may call a recess, request the removal of such person(s) from the Council chambers upon a finding of "disorder", adjourn the meeting if determined to be the appropriate action, or take such other appropriate action as permitted by law.

4.8 DEFINING DISORDER AND DISRUPTION

A. Any person who is disorderly at a meeting may be removed upon a finding by the presiding officer that such disorder causes a "disruption". Disorder at public meetings usually takes one of three forms:

1. Refusal to confine the speech to the subject matter being addressed.

2. Refusal to conform to time limits on speaking:

- a. Courts have held that a valid removal order for time limit or subject limit violations should include advising the speaker of available, alternative methods of presenting his/her views, such as:

- b. leaving a written transcript of the speech for the record;

City of Indian Harbour Beach City Council Meeting Procedures

- c. mailing the speech to each member of the Council; and/or
 - d. appearing at future meetings to discuss the subject.
 - 3. The speaker's demeanor and conduct during the meeting.
- B. Disruption includes any conduct that significantly violates generally or specifically established rules of order and truly disrupts the meeting. Examples are:
- 1. Violent or tumultuous conduct threatening the safety of another.
 - 2. Conduct creating danger to another's property.
 - 3. Provoking or engaging in a fight.
 - 4. Use of words that may threaten or outrage others.
 - 5. Not speaking on the subject matter being addressed and refusing to do so when requested by the presiding officer.
 - 6. Using obscene, profane, or vulgar language.
- C. A person may not be removed merely because the content of the speech is not politically pleasing or acceptable. However, should a person make such comments out of turn, continue beyond their allotted time, or show other disruptive behavior removal will be appropriate notwithstanding the content of their comment.

4.9 ENFORCEMENT OF ORDER

Any Council Member may request the presiding officer to enforce the rules of decorum upon a motion and majority vote by Council.

4.10 SERGEANT-AT-ARMS

Police Officers of the Indian Harbour Beach Police Department shall be sergeant-at-arms of the Council meetings and shall carry out all orders and instructions given by the presiding officer for the purpose of maintaining order and decorum at the Council meeting. Screening procedures for all persons entering City Council chambers have been adopted and must be strictly adhered to.

4.11 REMOVAL FROM MEETING

Upon the instructions of the presiding officer, it shall be the duty of the sergeant-at-arms to escort and/or remove any person from the room who disrupts the meeting. The sergeant-at-arms should attempt to calm the person and explain the law on trespass and Section 871.01, Florida Statutes, Disturbing Schools and Religious and Other Assemblies. If the individual refuses or resists removal, he/she may be placed under arrest.

4.12 RE-ENTRY TO MEETING

The length of time a removed offender must remain outside a meeting, or whether he/she may reenter during the same meeting shall be decided by a majority vote of the City Council.

A. Recognize no individual member of the City Council manages the affairs of the City. Council Members shall not intrude into daily operations or spheres of responsibility designated by Florida Statutes, City Code, and City Charter to the City Manager; or undermine the City Manager's lawful authority. The City Manager is responsible for administering the policy direction established by a majority vote of the City Council and not the policy wishes of one individual member of the City Council.

All disagreements, concerns or criticisms shall be framed in language that is in keeping with the dignity and professionalism of an elected official and the honor of the city Council.

D. Demonstrate patience and refrain from demanding, interruptive access to staff or immediate responses or services when requesting information that requires significant staff time in research, preparation or analysis or that will result in staff neglect of urgent duties. Such requests will be made through the city manager for scheduling and prioritizing through consensus of the city Council.

E. Respect diversity and encourage the open expression of divergent ideas and opinions from fellow members of the City Council, city staff, citizens of the city, members of the public, vendors of the city and those who do business with the city. Council Members shall listen actively and objectively to others' concerns or constructive criticisms.

F. Refrain from any individual action that could compromise lawfully authorized decisions of the city or the integrity of the city and my fellow members of the City Council. Council Members shall delineate clearly for any audience whether they are acting or speaking as an individual citizen or in their capacity as a representative of the city. To that extent a Council member who desire to express their personal views on matters not directly relating to City business may only do so during the Public Forum portion of the Council meeting and shall not make such comments at any other portion of the Council meeting. The presiding officer shall promptly call any such comments out of order on his/her own or upon a point of order approved by a majority of the Council.

G. Promote constructive relations in a positive climate with all city employees, city staff, and city contractors and consultants consistent with my role as a member of the City Council, as a means to enhance the productivity and morale of the city. - Any matter relating to code compliance, permit compliance or compliance with city rules, policies and procedures;

- Matters of personal opinion, personal reflection, personal commentary, personal feelings and matters which do not directly relate to City business shall not be appropriate for the "Reports" section of the meeting.

SECTION 8 PUBLIC COMMENTS

8.1 PURPOSE

These procedures are established to provide an orderly method for the City Council to receive comments from the public on specific agenda items and general matters at public meetings. Public presentations to the City Council shall be in accordance with the following rules and guidelines, which shall be enforced by the presiding officer.

8.2 PUBLIC COMMENTS. There is a "Public Comments" section under Reports which is reserved for public comment on Agenda Items only. Only comments directly related to an agenda item may be brought up at this time and each speaker is limited to three (3) minutes. The Public Forum portion of the meeting would be a more appropriate portion to discuss any non-agenda items.

A. Public Hearing Items

1. Individuals addressing "Public Hearing" items shall complete a 'Public Comment' card for time to address the City Council prior to the meeting.

City of Indian Harbour Beach City Council Meeting Procedures

2. Individuals present to address specific agenda items listed under “Public Hearings” will address the City Council, using the guidelines established for same, at the time the item is considered by the City Council.

3. The presiding officer will read the agenda item being considered, and open the public hearing. Individuals wishing to address Council will raise their hands at the appropriate time and the presiding officer will call upon the individuals to approach the lectern.

4. The City Council may recall an individual to provide additional information or to answer questions.

5. The speaker shall be limited to three (3) minutes time. Any unused time by a speaker may not be donated to another speaker.

B. Public Forum

1. Individuals who wish to address items not specifically listed on the agenda will be given the opportunity to address the City Council under the agenda heading of “Public Forum.”

2. Individuals may request to speak by completing a “Public Comment” card at the meeting, and submitting it to the clerk.

3. The speaker shall be limited to three (3) minutes. Time may not be donated to another speaker.

4. The City Council is not required to respond to comments under Public Forum

5. The provisions of Section 4 shall apply to any individual addressing Council under the Public Forum portion of the meeting

C. Addressing the City Council

1. Individuals shall come to the lectern and clearly state their name and address for the record.

2. All comments shall be addressed to the Council as a body and not to any individual member thereof.

3. All questions directed to the City Council shall be first addressed through the presiding officer who may either respond or defer the question to the person with the most knowledge to provide a response.

4. Groups are encouraged to select a representative to conserve time and avoid repetition. No person will be denied the privilege of speaking as long as he/she meets the above requirements.

5. The presiding officer, by virtue of the office, may implement other rules of procedures to assure fair hearing to all who are present as speakers and members of the audience.

City of Indian Harbour Beach City Council Meeting Procedures

8.3 ADDRESSING PUBLIC COMMENTS

The City Council may address the comments from the public as stated above. There shall be no input or additional remarks from the audience while Council is addressing comments. The Council may recall an individual to the lectern to provide additional information or to answer questions.

8.4 ACTION ON ITEMS

The Council should not take formal action upon issues or matters presented by the citizenry under public comments at the same meeting. If formal action is required, the item will be scheduled for the next regular Council meeting for consideration. Items not requiring Council action shall be directed to the City Manager for consideration and further action. Council may, by a majority vote, act on items that are declared by Council to constitute an emergency.

SECTION 9 MOTIONS

9.1 PRESIDING OFFICER; RIGHTS AND PRIVILEGES

The Charter of the City of Indian Harbour beach states that the mayor “shall preside at meetings of the City Council”. The mayor is the presiding officer of city Council meetings. The Presiding officer may not make motions or second motions, unless the Presiding officer passes the gavel as presiding officer; however, the mayor may participate in discussions.

9.2 RECOGNITION BY PRESIDING OFFICER

Council Members desiring to speak shall address the presiding officer, and upon recognition by the presiding officer, shall confine themselves to the subject matter under discussion. Matters outside the subject matter may be addressed or discussed upon approval by a majority of the Council.

9.3 INTRODUCTION OF MOTION.

A. Business to be acted upon is brought before Council by motion in the affirmative only. A motion may also follow the presentation of a report or communication.

B. There can be only one main motion on the floor at a time; it requires a second. A main motion is debatable and all discussion must be germane to the motion, unless otherwise approved by a majority of Council.

C. Main motions shall be stated clearly and concisely utilizing language that reflects the exact intent and action being sought by the Council Member. A long or complicated motion must be submitted in writing.

City of Indian Harbour Beach City Council Meeting Procedures

9.4 SECOND TO A MOTION

A. The purpose of a second to a motion is to place the motion before the Council for discussion and action. A second merely implies that the maker of the second agrees that the motion should come before the meeting and not that he/she necessarily favors the motion.

B. The requirement of a second is for the presiding officer's guidance as to whether the motion should be placed before the Council for consideration. The purpose of a second is to prevent time from being consumed by the Council having to consider a motion that only one person desires to see introduced.

C. A motion that fails to obtain a second dies.

D. A member making a second cannot prohibit the maker from withdrawing a motion by refusing to withdraw the second.

9.5 STATING THE MOTION

A. Neither the making nor the seconding of a motion places it before the City Council; only the presiding officer can place the motion before Council for discussion. The presiding officer may change the wording in order to make it easier to understand provided the meaning is not changed. When the presiding officer has placed the motion before Council, the motion is pending and open to discussion.

B. All discussion must deal only and specifically with the subject of the motion, unless otherwise agreed to by a majority of the Council. When the remarks of a Council Member begin to stray from the topic at hand, it is the duty of the presiding officer to interrupt the speaker and insist that discussion be to the point. However, if a majority of Council determines that they want to hear a point that may otherwise be considered outside of the topic at hand then the discussion may continue. When discussion has been exhausted, the presiding officer puts the issue to a vote.

C. After the vote, the presiding officer announces whether the motion carries or fails. If a Council Member disputes the result as announced or the presiding officer is unable to determine the vote, the presiding officer shall ask for a roll call vote to make certain of the decision.

9.6 DISCUSSION PRIOR TO A MOTION

There should normally be no discussion on any issue prior to the presiding officer placing a motion before Council for consideration. However, in the discretion of the presiding officer if some discussion is needed to clarify a subject matter then such discussion may occur for clarification purposes.

9.7 PRIVILEGE OF BEGINNING AND CLOSING DISCUSSION

The Council Member making a motion shall have the privilege of speaking first and last, if so desired, to the motion under discussion.

9.8 (Reserved)

City of Indian Harbour Beach City Council Meeting Procedures

9.9 (Reserved)

9.10 INTERRUPTIONS

A Council Member, once recognized by the presiding officer, shall not be interrupted when speaking unless the presiding officer or another Council Member calls a point of order, or unless the speaker chooses to yield to questions for another member. If Council Members, while speaking, are called to order, they shall cease speaking until the issue regarding order is determined, and if in order, they shall be permitted to proceed.

9.11 POINT OF ORDER

A. When a Council Member questions a procedure or notices a violation of the rules that she/he considers will do harm if allowed to pass, the member can make a point of order without waiting for recognition from the presiding officer and may interrupt another member speaking. This action calls the attention of the presiding officer to the procedure being questioned or the violation of a rule when the presiding officer fails to notice it or neglects to call it.

B. A point of order must be raised when the breach occurs. After any discussion or business has intervened, it is too late. Points of order should not be raised on minor irregularities of a purely technical character.

C. The point of order interrupts business. The presiding officer either rules that the point of order is well taken and orders the mistake, omission, or violation to be corrected, or rules that the point of order is not well taken and resumes business at the point where it was interrupted.

9.12 APPEALS ON RULING OF POINT OF ORDER

A. Council Members have no right to criticize a ruling of the presiding officer on a point of order unless they appeal the decision. An appeal is by motion, which allows two members who disagree with a ruling to submit it to the entire Council for a decision. An appeal requires a motion and its purpose is to reverse the ruling of the presiding officer. This motion requires a second and is immediately open for discussion. The appeal must be made immediately after the ruling has occurred.

B. Upon an appeal, the presiding officer must state the reason for the decision. Council Members may speak only once. When Council Members are through with discussion, the presiding officer may speak a second time.

C. A majority of the Council may reverse or modify the presiding officer's decision. A motion to appeal is lost or fails with a tie vote and sustains the decision of the presiding officer.

9.13 WITHDRAWAL OF MOTION

A. A Council Member may withdraw his/her motion at any time before it is put to a vote. When a motion is withdrawn, it is no longer under consideration. The second need not be withdrawn as the withdrawal of the motion makes the second moot.

B. A person making a second cannot prohibit the maker from withdrawing the motion by refusing to withdraw the second.

City of Indian Harbour Beach City Council Meeting Procedures

9.14 MOTION TO RECONSIDER/RESCIND

The reconsideration of issues previously-acted upon is discouraged, but any member of Council on the prevailing side of a matter may make a motion to reconsider the action taken by the Council. Such a motion may be made at a meeting where such action is taken or at a subsequent meeting of the Council.

The rescission of issues previously-acted upon can be made by any Council member. It cannot be made after a motion to reconsider. It cannot be used to undo that which cannot be undone.

With regard to quasi-judicial proceedings, there is no specific rule or statutory authority for the rehearing or reconsideration of a local agency quasi-judicial decision; however, a local agency has the inherent power and authority to rehear and reconsider a previously entered order. The City has determined that, notwithstanding this inherent power and authority, no rehearing or reconsideration shall be entertained regarding a previously entered order of any quasi-judicial board of the City.

9.15 SECONDARY MOTIONS

A. When any main motion is upon the floor and the subject matter is under discussion, no motion shall be received except the following, which must also have a second, and such motions shall have precedence in the following order, to-wit:

1. Discussion can take place on the motion:
 - a. To amend the main motion
 - b. To appeal the ruling on a point of order.
2. Discussion cannot take place on the motion:
 - a. To table, postpone, continue, defer, extend, delay
 - b. To call the question.

B. A secondary motion is a procedural motion that is considered before a vote on a main motion. When a secondary motion is made, it becomes the immediately-pending motion, while the main motion remains pending.

9.16 AMENDMENT TO MOTION

A. When a main motion is made, it can be amended. Council Members can make as many amendments as they like until the main motion accurately reflects the will of the majority. Only one amendment at a time to the main motion shall be entertained. There shall be no amendments to amendments to the main motion.

B. To present an amendment to a motion, a Council Member must first be recognized by the presiding officer. An amendment must be moved and seconded. Amendments must be specifically worded. The presiding officer shall restate the motion to amend and also read how

the main motion will change if the amendment is passed. Discussion can only take place on the amendment. Once discussion has been exhausted, the presiding officer shall call for a vote on the amendment.

C. If an amendment is approved, prior to the vote being taken on the main motion, the Council Member who seconded the main motion has the right to withdraw the second if he/she does not agree with the main motion as amended. If the second is withdrawn, the presiding officer shall ask for another second to the motion. If the maker withdraws the main motion, the main motion is moot.

9.17 RECESS DURING MEETINGS

A. A recess is a short intermission within a meeting which does not destroy its continuity as a single gathering, and after which proceedings are immediately resumed at the point at which the meeting was interrupted.

B. The presiding officer has the power to call for a recess. Recesses requested by other Council Members require a majority vote of Council. The presiding officer will announce the amount of time allotted for the recess.

C. During such periods of recess Council Members must refrain from discussing matters on the agenda or matters that could come before the Council in the future. In addition, if a recess is taken during a quasi-judicial matter Council Members should refrain from discussing the matter with applicants or members of the public who may be for or against the matter. In the event a discussion occurs the Council Member should publically disclose the communication immediately when the meeting is resumed.

9.18 MOTIONS TO TABLE

A. 'Table' shall mean the resetting or rescheduling of an item or issue placed on an agenda for consideration by the City Council which includes, but is not limited to, extensions, continuances, delays, deferrals, and postponements.

B. Motions shall not be tabled; only items or issues can be tabled.

C. The time frame in which a tabled issue or item will be considered shall be determined by the City Council, except when provided by City code. An item or issue shall not be tabled indefinitely.

9.19 CALL THE QUESTION

If a Council Member desires to close the discussion on a pending motion so that it will come to an immediate vote, he/she can 'call the question'. Because it takes away the right of Council Members to continue discussion, it requires a motion, a second, and a majority vote. There is no discussion on this motion. In making the motion, the maker cannot interrupt a speaker.

9.20 ADJOURNMENT

A. Adjournment is announced by the presiding officer asking if there is any further business. If there is none and there are no objections, the presiding officer adjourns the meeting. Council Members agree to the adjournment by silent consent.

B. If an objection is offered by a Council Member, a motion, second, and a majority vote of Council is required to adjourn.

9.21 CONSENSUS

A. In cases where there seems to be no opposition in routine business or on subject matters of little importance, time can be saved by the procedure of general consent. Such action is in accord with the principle that rules are designed for the protection of the minority and generally need not be strictly enforced when there is no minority to protect.

B. General consent may be used to take action without the formality of a motion.

C. If there is an objection, the presiding officer must consider the subject matter in the regular manner.

9.22 FAILURE TO OBTAIN A MOTION

Failure to obtain a motion by the City Council to act upon an issue or item being considered, which requires Council action to dispose of same, shall be considered a denial or rejection of the item or issue.

SECTION 10 VOTING

10.1 QUORUM

The presence of three (3) Council Members at a meeting shall constitute a quorum for the transaction of business, however, a smaller number may adjourn from time to time and may require the attendance of absent members in such manner and under such penalties as the City Council may prescribe.

10.2 MAJORITY

A. No action of the Council, except as otherwise provided by law and/or except raising a quorum, shall be valid or binding unless adopted by the affirmative vote a majority of members of the Council constituting a quorum..

10.3 VOTING REQUIREMENTS AND CONFLICTS

A. The sections of the Florida Statutes pertaining to voting requirements and conflicts are summarized as follows:

1. Florida Statutes, Chapter 286.012, Voting Requirement
2. Each Council Member present at a meeting is required to vote on official matters and a vote recorded in the minutes for each, unless there is a conflict of interest.
3. Florida Statutes, Chapter 112.3143(3)(a), Voting Conflicts

City of Indian Harbour Beach City Council Meeting Procedures

No Council Member shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss, or which he/she knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary of a corporate principal by which he or she is retained, of a relative, or of a business associate. Council Members are required to abstain from voting and must publicly announce the nature of their interests before the vote. A memorandum of voting conflict must be filed with the City clerk within 15 days after the vote occurs, disclosing the nature of their interests in the matters. The City clerk will provide the form to the Council Member after the vote is taken.

4. There may be instances where abstention is necessary because of a perceived bias or impartiality of a Council member during a quasi-judicial hearing. If that occurs the particular Council member must make the independent determination whether they can be fair and impartial. If, in the Council member's independent determination, they cannot be fair or impartial then the Council member should abstain. There is no penalty for an abstention; however, the failure to abstain could jeopardize the action taken by Council.

10.4 EFFECT ON QUORUM DUE TO ABSTENTION FROM VOTING

When a Council Member abstains from voting, the Council Member is disqualified from voting and may not be counted for purposes of determining a quorum entitled to vote. (AGO 85-40). By way of example, where all members of the five member Council are present and two members have a conflict which precludes them from voting, you question the quorum "present" would be constructively be reduced to three and it would thus require only a vote of two members (a majority of a quorum present) to take official action.

10.5 VOTES TO BE STATED

A. In putting a motion to a vote, the presiding officer shall first call for the positive vote, and all who wish to vote in favor of the motion to indicate by saying "aye, yea or yes"; the presiding officer then calls for the negative vote and those who wish to vote against the motion to indicate by saying "nay or no". The presiding officer must always call for the negative vote, no matter, how nearly unanimous the positive vote may appear. When there is any possibility of confusion, the presiding officer, before calling for the vote, should make sure that the members understand the effect of a positive vote and of a negative vote.

B. The votes shall be reflected in the minutes as "aye, yea or yes" for a positive vote and "nay or no" for a negative vote.

10.6 SILENCE CONSTITUTES POSITIVE VOTE

Silence by a member of the Council during the taking of a vote shall be recorded as a positive vote.

10.7 CHANGE OF VOTE

When the presiding officer calls for a vote, Council Members shall not be permitted to change their votes once recorded.

10.8 ROLL CALL VOTE

A roll call vote is not necessary but shall be taken on all ordinances or resolutions upon the request of any Council Member.

10.9 SECRET BALLOTS; VOTING SHEETS

The sunshine law prohibits voting by secret ballot. However, "vote sheets" may be used to record Council Members' votes, provided the vote sheet is made available for public inspection. For example, Council when voting to fill vacancies on boards may utilize this method. The voting sheet contains each Council Member's name and vote. The votes are tabulated and the results announced by the presiding officer, followed by a motion to conclude the process. The written votes are retained by the office of the City clerk for inspection by the public. (AGO 73-344).

10.10 VOTING BY PROXY

Proxy voting is prohibited by state law.

10.11 ABSENCE OF COUNCIL MEMBER DURING A VOTE

When a Council Member leaves the room to attend to other matters and Council takes a vote, the member cannot vote on the subject matter when he/she returns to the room. The Council Member's name will not be reflected in the vote. The minutes will indicate when the member left the room and returned. If the vote has not been taken by the time the Council Member returns to the meeting, the Council Member shall vote. A Council Member is prohibited from leaving the room to avoid voting on a motion.

10.12 CONFLICT OF INTEREST

When a Council Member announces there is a conflict of interest on an issue or item, the member is prohibited from voting on or discussing the measure and must "abstain". Prior to the vote being taken, the Council Member must publicly announce the nature of the conflict of interest in the issue or item from which the member is abstaining.

10.13 VOTE CONSTITUTES

A. Tie Vote:

1. In the event that a tie vote does occur the motion shall be recorded as a tie and the motion fails.

SECTION 11 MINUTES

11.1 PURPOSE

Florida Statutes, Chapter 286, requires that minutes of meetings be taken. Although the statute does not detail what minutes should include, the proper content of minutes is suggested by their purpose. The purpose of minutes is to provide an official record or proof of Council actions. Therefore, at a minimum, the minutes should include two sorts of material. First, the matter should

be identified and second the actions taken by Council should be stated specifically enough to be identifiable and provable. More may be desired by Council but is legally unnecessary.

11.2 ADOPTION

The minutes of previous meeting(s) for adoption shall be listed on the agenda. Such minutes may be approved without reading. Copies of the minutes shall have been distributed to Council Members prior to the meeting. A motion is required to adopt the minutes. If the minutes are part of the consent agenda, a motion to adopt the consent agenda shall be sufficient to adopt any minutes on the consent agenda.

11.3 REVISIONS

A. Revisions to the minutes may be made by Council Members at the meeting that the minutes are considered for adoption.

B. Council may revise the minutes, if found to be incorrect, upon the majority vote of Council.

11.4 REMARKS BY COUNCIL MEMBER WHEN ENTERED INTO MINUTES

A Council Member may request, through the presiding officer, the privilege of having an abstract of his/her statement on any subject under consideration by the Council entered into the minutes. If the Council consents thereto, such statement shall be entered into the minutes.

11.5 VERBATIM TRANSCRIPTS

A. In accordance with Florida Statutes, Chapter 286.0105, individuals deciding to appeal any decision made by the City Council are responsible for ensuring that a verbatim record of the proceedings is made.

B. The office of the City clerk is not required to prepare verbatim transcripts or parts of any minutes of City Council meetings unless the City Council, by a majority vote, directs verbatim transcripts for the audible parts of any minutes it deems necessary and proper for the conduct of the internal affairs of the City.

SECTION 12 AMENDMENTS

12.1 AMENDMENTS

A. These Rules and Order may be amended by a majority vote of the entire Council at any regular meeting of the Council after having been read at two consecutive regular Council meetings.

B. Any of the foregoing rules may be temporarily suspended for the meeting then in session by a unanimous vote of the members of Council then present, unless such waiver is in conflict with the City Charter or state or local law.
